Every day I wanna learn something new about you  
You're just so quiet, yet I like it  
I feel you are my perfect match  
But from what I've seen so far  
There is so many things about you  
And I gotta know more  
Wanna know what happens everytime you close the  
door

You're like the ocean  
So vast and wide  
So beautiful everywhere I look  
You're like the ocean  
I wanna know what's on the other side  
Wanna know what's on your mind  
Cause I know in your heart  
You have an ocean filled with secrets

So, open up to me  
Don't be scared to let me know you  
Cause, in your eyes, I know you're the one  
That's how I fell in love the first place  
There is so many things about you  
And I gotta know more  
Wanna know what happens everytime you close the  
door

You're like the ocean  
So vast and wide  
So beautiful everywhere I look  
You're like the ocean  
I wanna know what's on the other side  
Wanna know what's on your mind  
Cause I know in your heart  
You have an ocean filled with secrets

An ocean filled with secrets  
Yes...that's how everyone is  
So come on, talk to me  
Let me know you as a real person  
Come on now...nooooo ooohhh

Oh oh, (oh oh)

You're like the ocean  
So vast and wide  
So beautiful everywhere I look  
You're like the ocean  
I wanna know what's on the other side  
Wanna know what's on your mind  
Cause I know in your heart  
You have an ocean filled with secrets  
An ocean filled with secrets...yeah
