Well I know it's kind of late
I hope I didn't wake you
But what I got to say can't wait
I know you'd understand
Every time I tried to tell you
the words just came out wrong
So I'll have to say I love you in a song

Yeah I know it's kind of strange
But every time I'm near you
I just run out of things to say
I know you'd understand
Every time I tried to tell you
the words just came out wrong
So I'll have to say I love you in a song
(Instrumental)

Every time the time was right
all the words just came out wrong
So I'll have to say I love you in a song

Yeah I know it's kind of late
(kind of late)
I hope I didn't wake you
But there's something that I just got to say
(I know you'd understand)
I know you'd understand
Every time I tried to tell you
the words just came out wrong
So I'll have to say I love you in a song
