Hey love don't be afraid to stay until tomorrow

Lover's dawn is waiting just this side of day

If you thought i loved you yesterday

I'll love you more than that tomorrow

Hey love don't be afraid to hear the songs of morning

Birds will sing them as they're calling up the day

If i sang to you yesterday

I'll sing more than that tomorrow

If it should happen that you come to me

In the night we share our hearts

Whatever it is that you done to me

Between you and me, can't be undone...

If i should understand just why i need you by me

Then i would know the reasons for the songs of morning

'Cause if i wanted you yesterday

And if in the night we shared our hearts

Whatever it is that you done to me

Between you and me, can't be undone...

Hey love don't be afraid to stay until tomorrow

Lover's dawn is waiting just this side of day

If you thought i loved you yesterday

I'll love you more than that tomorrow

If you thought i loved you yesterday

I'll love you more than that tomorrow
