"Not Man Enough"

I don't want to be the one
To tell you it's not true i'm just not, strong enough
And I don't want to be the one
To brake the news to you, see i'm not that tough

I'm just not man enough
To stand and watch you cry
Just not man enough
To know you hurt inside
Just not man enough
Cause I still dream of you

And I believe them when they say
What are good friends for we must be brave and end
this pain
And I believe them when they say
He will brake your then turn away that's the game he
plays

Cause I'm just not man enough
To stand and watch you cry
Just not man enough
To know you hurt inside
Just not man enough
Cause I still dream of you

And I can still remember
When we were so much younger
And I would listen to your dreams
I know you never noticed
I worshiped from a distance
But now I tremble, thinking what might have been yeah

REPEAT CHORUS
