

## Canibus "100 Bars"

Visit "[100 Bars](#)" on MotoLyrics.com

Yeah, that's the beat right there  
I'm about to black out with 100 bars  
On some professional shit  
So don't try this at home, yo, yo, yo, yo

My style of rhymin' is ancient like Aztecs an' Mayans  
Because I recognize it's all about timin'  
Me an' my freestyle alliance practicin' African Voodoo  
science  
In front of 20 foot bonfires

Lookin' skyward, calculatin'  
May 5, 2000, the nine planets'll be in alignment  
The arrival of the prophet in the cockpit  
Of a starship the size of the Hale Bopp comet

With Mercury ion rockets  
An' a big ass 'Canibus comin' soon' poster on the side  
of it  
I'm known geographically an' intergalactically  
That's why I got extraterrestrials that wanna battle me

They even tried kidnappin' me an' they would've  
snatched me  
If their craft didn't get trapped in the Earth's gravity  
Engines started to fail, crashed into a farmer's field  
An' that's really what caused 'Roswell'

Undercover operatives workin' for Com 12  
Disguised as a nigga, signed with a record deal  
Lyrically I'm off scale  
So all hail or get tossed towards Hell, whatever y'all  
feel

Bruisin' niggas, confusin' niggas  
Like Chip Fu from the Fu Schnickens  
Hit you with nuclear cruiser missiles  
Hear the wild wolf growl  
Styles stockpiled for miles from the ground to the  
clouds

Whack niggas wanna be down but it's not allowed

Interrupt the cipher unannounced an' you?ll get  
punched in the mouth  
With the southpaw southern fist  
I?ll bust your shit, swell your lip an' get the bubba  
shrimp

Back the tougher shit, what a wimp  
You giant Goliath, niggas get shot with a rubber sling  
I?m an experiment gone bad  
My brainwaves on an encephalograph  
Show that I?m stark ravin' mad

Your whole scientific staff?ll get killed in a nuclear blast  
When I throw the formula stashed in my hand  
Flammable liquids in the lab explode  
An' you get stabbed with all the flyin' glass

Trained to blow up commercial aircrafts  
Trained in chemical weapons class  
Just to see how long a nigga's breath?ll last, I put him in  
a leather mask  
Spray his ass with a can of pepper gas  
Then watch him grab his neck an' gag

Watch the nigga choke to death as I laugh  
?You wanna battle??. is the type of question you should  
never ask  
Nigga, pick a tougher task, see who the fuck?ll last  
Whoever lose?ll get a solderin' iron up the ass

You need to recognize, my hand is quicker than the  
eye  
Quicker than the 5 speed Jamiroquai drives  
A lifespan longer than 9 lives, infinite rhymes that can?  
t die  
A nigga with a divine mind

I dedicate this to the wise, dedicate it to dames  
Dividin' myself into 100 ten times  
You can?t deny the offerin's an offer  
Flows that glow with Aurora?s the spark of light  
Water fly like a saucer with the torque of a Porsche

Murder a million MCs, then autograph all of their  
coffins  
Been gettin' it on since I been born an' I?m a live long  
An' I?m a be gettin' it on till I?m gone  
Look at all the stages I been on, all the songs that I spit  
on

I took an oath to rip everything I get on

A nigga like me should have carpal tunnel syndromes  
In the wrist bones from grippin' microphones this long  
I'm just a small fish in a big pond

An' gets pissed off whenever I get picked on  
Nigga try to flip an' get flipped on  
My army march, a million strong  
Like the Nation of Islam, with suede timbs on

Extremely hostile  
Fully armed troops dressed in frog suits an' night  
vision goggles  
A lyrical lynch mob, shittin' on niggas  
Drawn to a hideous form with horns an' a mink on

Duckin' down low like Vietnam fightin' the Vietcong  
Screamin', 'Incoming?' when I see a bomb  
Speak to your leader, surrender your arms  
You need about a million more soldiers to even the  
odds

Plus 800,000 to even consider a war  
An' 200,000 more to even look hard  
You better drop your flag an' withdraw  
My cavalry charge accompanied by a blizzard of  
wicked metaphors

An' smash y'all  
Attach y'all to the back of my horse  
An' drag y'all across the motherfuckin' asphalt  
9 outta 10 niggas is frauds

You know who you are always talkin' about your bitches  
an' your cars  
Your jewelry an' your girls, it's like we from two  
different worlds  
You motherfuckers really get on my nerves  
'Cause I'm beyond them, on some futuristic cyborg  
shit

I close my eyes when I freestyle, so I could read what  
picture crossed in  
Then raise my arms like a sorcerer an' cast a fireball  
into the audience  
To barbecue your brain organs  
You feel like you've been thrown in a microwave oven

I flame broil suckers an' hit 'em with some more shit  
The raw shit, call my reinforcements, the Four  
Horsemen  
Take a big piece of chalk an' draw a line across the

stage pulpit  
I dare a motherfucker to cross it

I'll even call my man, Black Rob at two in the mornin'  
Tell him it's important, tell him to call Sting  
3 way an' sing a chorus  
Break your camcorders so you motherfuckers can't  
record it

Call the news, I'll kill your reporters  
Start a lawsuit, I'll kill your lawyers  
Fuck the soft shit an' fuck what y'all think  
My album's gold 'cause my album was the bomb, shit

Y'all niggas got your ass beat 'cause you asked for it  
Got your picture taken an' put in a tabloid  
'Cause you a man an' you like to touch little boys  
You fuck 'em in the ass, then you give 'em cash for it

That's some sick shit, homeboy  
A hundred years ago, they'd have took you to see  
Sigmund Freud  
You fraudulent, feminine, fragile as a feather is  
With an effortless blow, I'll crack your whole skeleton

You think you're better than Canibus, where's the  
evidence?  
You got below average intelligence an' poor  
penmanship  
You need to shut the fuck up 'cause your breath stink  
Take fifty cents an' purchase a pack of Peppermints

Battlin' me? You never win  
You thought you was the only nigga that could sneak a  
weapon in?  
Nigga, guess again, 'cause after I'm finished wreckin'  
this shit  
I'm a drink a whole bottle of Henney an' go fuck a  
lesbian
