

## Canibus "2nd Round K.O."

Visit "[2nd Round K.O.](#)" on MotoLyrics.com

Featuring Mike Tyson]

[Mike Tyson]

Mike Tyson here speakin with the Canibus man over here

Your main objective out here is to do nothing but

Eat Eat Eat Eat MC's for lunch breakfast

Hey man they been playin me all my life man

You know I won a title a couple a times did right

but they can't hurt us man

We gonna do it get up in this ring man puttin these gloves

Let me show you how to handle yourself man

Verse One: Canibus

So I'ma let the world know the truth, you dont want me to shine

You study me rhyme, then you laid your vocals after mine

Thats a bitch move, somethin that a homo rapper would do

So when you say that you platinum you only droppin clues

I studied your background, read the book that you wrote

Research the footnotes about how you used to sniff coke

Frontin like a drug free role model, you disgust me

I know bitches that seen you smoke weed recently

You walk around showin your body cuz it sells

Plus to avoid the fact that you aint got skillz

Mad at me cuz i kick that shit real niggas feel

When 99of your fans wear high heels

From Ice-T to Kool Moe Dee to Jay-Z

Now you want to fuck with me you must be crazy

You drippin with wack juice and you can't get it off

You betta be preparad to finish what you start

[Referee]

Hey hey hey. You just hold it right there

We got an illegal low blow the fighter in the blue trunks

If I see one more of those your outta here brotha, you understand

You'll be disqualified

Stop bein a bitch, we came to see a fight

[Mike Tyson]

Yo Canibus man you gotta hit harder then that man  
You dont want no bitch ass niggaz hangin out wit me  
man

We're warriors man

When we go into battle we come out or don't come out  
at all

Verse Two: Canibus

Yo, you betta give me the respect that I deserve  
or I'ma take it by force

Blast you with a 45 colt, make you summersault  
Shock you with a couple hundred thousand volt  
thunderbolts

Before you wanted a war, now you wanna talk  
It's about who strikes the hardest not who strike first  
That's why I laugh when I hear that wack ass verse  
That shit was the worse [pause] rhyme I ever heard in  
my life

Cuz the greatest rapper of all time died on March 9th  
God bless his soul, rest in peace kid

It's because of him at least I know what beef is.

it's not what I would call this

See this is somethin different

a faggot nigga tryin ta make a livin off of dissin

Somebody that he gotta know is betta then him

When he feelin himself cuz he got more chedda then  
him

Well lemme tell you somethin, you might have more  
cash then me

But you aint got the skillz to eat a nigga ass like me

And if you really want to show off, we can get it on

Live in front of the cameras on your own sitcom

I'll let you kick a verse, fuck it, I'll let you kick'em all

I'll even wait for the studio audience to applaud

[cheers]

Verse Three: Canibus

Now watch me rip tha tat from your arm

Kick you in the groin, stick you for your Vanguard  
award

In front of your mom your 1st, 2nd and 3rd born

Make your wife get on the horn, call Minister Farrakhan

So he could persuade me to squash it, but i say nah, he  
started it

He forgot what a hardcore artist is

A hardcore artist in a dangerous man

Such as myself trained to run 20 miles in soft sand, on  
or off land

Programed to kick hundreds of bars off hand

From a lost and forgotten land, you done did it man

You done spitted some wack shittit

And probably thought that because it's been a minute

I'll forget it  
Fuck that, cause like Common and Cube  
I see the bitch in you and I'ma make the world see it too  
Motherfucker  
[Referee]  
Ladies and gentelman, we have a new lyrical weight  
champion  
By 2nd round knock out, 3 minutes and 40 seconds  
Can-i-bus  
[Mike Tyson]  
Yo, Canibus man you movin like Mike Tyson ? man  
You in and out and you agile with you flow man  
But dig right, you got you got meet man, thats your  
name Canibus  
Your whole agenda is to eat these niggaz man  
They have no business to be in the same stage with you  
holdin the mic with you
