Visit "[Channel Zero](#)" on MotoLyrics.com

Approximately fifty years ago
Under the direction of President Harry Truman
And in the interest of maximum security
A group of twelve top military scientific personnel were
established

This group's primary objective
Was to desensitize us to the truth
And to suppress the material evidence that our planet
is being visited
By a group of extraterrestrial biological entities called
The Grays

Tune in to Channel Zero, tune in to Channel Zero
Tune in to Channel Zero, tune in to Channel Zero
Tune in to Channel Zero, tune in to Channel Zero
Tune in to Channel Zero, tune in to Channel Zero

Yo, sometimes the road to the truth is
So elusive it's confusin' and reality becomes illusion
If I showed the masses where we was at or where we
was goin'
I'd shatter the social balance of the world as we know it

I'm talkin' 'bout the grand deception of nineteen forty-
seven
When our souls were sold to the heavens
For technologically advanced weapons
Crystal enhanced, brain implants and mind control
methods

MJ-12 is not majestic
In the focal point of our promise on this planet is not
domestic
You can accept it or be stupid and be a skeptic
Or fail to recognize the secret society's death wish

Ninety-seven percent of our presidents were masons
Responsible for launderin' trillions of dollars from the
nation
For the construction of underground military
installations

Abductions and coward mutilations

Experiments on human patients
Can take place in several subterranean bases
A hundred and fifty stories below a basement
With knowledge of genetic information

You need to fear science not Satan
'Cause through the manipulation of certain biological
agents
They create strange creations
Top secret special operations, low frequency sounds
and lasers

People like Carl Sagan that didn't believe in the Drake
equation
We're tryin' to keep western civilization on the need-to-
know basis
Well, you need to know that this is a game
And we being betrayed and played in the worst way

Tune in to Channel Zero, tune in to Channel Zero
Tune in to Channel Zero, tune in to Channel Zero
Tune in to Channel Zero, tune in to Channel Zero
Tune in to Channel Zero, tune in to Channel Zero

Yo the Holy Scripts from Genesis 1:26 says
Let us make man in our image under our likeness
First of all who's they?
You see if God was truly a single entity that's not what
He would say

We as the Elohim, gods and goddesses
Possess a marvelous remonstrous sub conscience
Lifeforms that speak in very high pitched sounds and
squeaks
Shorts likhado clicks and beeps, a highly advanced
form of speech

Even though to us it seems like they only chatterin' they
teeth
They used to swim deep in the oceans beneath
Till they fins transformed into limbs and they started to
creep

Then they evolved into mammals with feet
And walked right from the shorelines onto the beach
They used gravity, 'cuz this actually the only force
around
They could slow time and the speed of light down

The energy grid network open the gateway from Earth
To any point in the universe
Livin' organisms and various
Geomagnetic gravitational, anomaly areas

Space expedition teams in the lunar regions
Reported seeing disopyramides and tetrahedrons
Liquid filled shoes is what they used
To walk across the moon without leavin' a clue

Of where they been for the past twenty-three billion
years
Before life on the surface even appeared
I hope you become aware what I'm spittin' in ya ear
Was intended to stimulate your left brains hemisphere

I know it sounds weird
All these mothafuckin' answers to questions to the
grand deception

Tune in to Channel Zero, tune in to Channel Zero
Tune in to Channel Zero, tune in to Channel Zero
Tune in to Channel Zero, tune in to Channel Zero
Tune in to Channel Zero, tune in to Channel Zero

Tune in to Channel Zero, tune in to Channel Zero
Tune in to Channel Zero, tune in to Channel Zero
Tune in to Channel Zero, tune in to Channel Zero
Tune in to Channel Zero, tune in to Channel Zero
