Visit ["DJ Clue "I Speak At Frequencies" Freestyle"](#) on MotoLyrics.com

Yo,  
I speak in frequencies dogs would have trouble hearin  
Canibus is the lyrical version of German engineerin  
Raw metaphors keep you high fa months  
Fly around the earth twice witout refuelin once  
Ain't too many categories I can fit in  
When it come to spittin  
Cuz I'm overqualified fa tha position  
The lazer guided lyrical hybrid  
Creatin scripts so sick,  
I gotta arm wrestle my pen to write it  
Don't get excited  
Cuz if I ever catch one of you wanna-be's bitin  
We're gonna be fist fightin  
So muthafuckaz whatchu want?  
I got the shotgun pumped  
You feel like a frog nigga, then jump  
I possess the lyrical ammo to battle  
And rip any one of you warm blooded mammals to  
shables  
I make examples of you and eat a mouth fulla ya crew  
The typa emcee you can't out-do  
i'll battle you on the net  
I'll battle you in the flesh  
I'll battle you over the phone you can call me collect  
I'll battle you for the respect  
I'll battle you over a blank check  
I'll battle you wit a gun to my neck  
I'll battle you standin over the toilet wit my dick out  
i'll battle you jugglin a hand grenade wit da pin out  
In a stolen car wit da fin numba ripped out  
Drinkin a Guinness Stout doin a 360 spinout  
I stay richeous like Farrahan  
Puffin on the Marijuan  
You understand where I'm comin from?  
You numba 1 and i'm negative 2  
Basically nigga that means I'm STILL betta than you  
Basic mathematic and verbal mechanics of rhymin  
Behold'  
I crush a peice of coal and create a diamond  
On the microphone

I'm sicker than those who've Acquired Immune  
Difficiency Syndrome  
And every word I utter fa hip-hop lovas  
Will reflect forever like 2 mirrors facing e
