[Intro:]

Yea, the life of the world  
Let me share somethin' witchu  
What does not die that'll eternally thrives the free  
minds  
That's who you know you're alive

[Canibus:]

I was spiritual first  
She cut my umbilical at the physical birth  
And welcomed me to miserable Earth  
Why does it hurt?  
She layed me on my back under the dirt  
Cover my girth with a dirty shirt  
What could be worst?  
She said - "God bless the dead but they got at easy"  
The livin' get left behind but still can't live their life  
completely  
Tough luck, right before I was about to give up  
I passed out emotionally bankrupt  
In the dead vegetation it was dark brown red like  
menstruation  
I couldn't eat it despite the temptation  
I was hungry and impatient  
My hands were shakin', I stopped payment  
They botched my face in operation  
Nip and Tuck, livin' it up  
DAMN! "Why you still spittin' 'Bus?"  
"Cause you don't listen to my lyrics enough"  
At night from a satellite view the city's a heart  
The red and white blood cells are the lights on cars  
From that distance look down and observe my lyrics  
The atmospheres of organism we apparently living  
Since the beginning, The Law of Three, The Law of  
Seven  
On question, the principle of scale or heaven  
Law One thru Forty Eight  
Law Forty Nine is the loophole I use to escape
