[female]

Oh Germaine, can you please tell me one of your
Hollywood Stories?

Oooh..ahhh..exciete merjemon

[Chorus]

When it's hot it's hot, when it's hot it's hot (I'm so hot
tonight)

When it's hot it's hot, when it's hot it's hot (So hot)

When it's hot it's hot, when it's hot it's hot (Caliente)

When it's hot it's hot, when it's hot it's hot (I'm so hot
tonight)

[Canibus]

Aiyyo.. c'mere girl, gimme a kiss

Tell the truth, you know you like hangin with Canibus

I know you can't commit but at least try a sample

Who knows, I might be too much man to handle

If I'm attracted to you, I'ma make a long pass at you

Come after you and capture you

Put a platinum GPS bangle around ya ankle

To keep track of you incase I decide to marry you

We can be friends till death do us part

Kiss ya left breast 'cause it's next to ya heart

Don't be a mermaid, open up ya legs

If you can't spread eagle, just gimme some head

Whatever the outcome, I just wanna come

Beat it up real good, bust one and run

I believe in abstinence, just not tonight

I can't help myself you look hot tonight

[Chorus]

[Female singer & Canibus]

Chupa chupa, boca chula

Whatchu gon' do when I walk up to ya?

Chupa chupa, boca chula

Whatchu gon' do when I walk up to ya?

Chupa chupa, boca chula

Whatchu gon' do when I walk up to ya?

Chupa chupa, boca chula

Whatchu gon' do when I walk up to ya?

[Chorus]

[Canibus]

"Wild On C" with Brooke Burke in the Visa
Steamin like I'm dreamin on the couch with my feet up
I'm not a playboy, I'm a hustler, wait till I touch ya
I'ma do somethin to getchu "burnin" from my Bunson
Clitoris rubbin, sperm pumpin, nerve numbin, humpin
in public
The whole world could probably hear you cummin
The way I grab your pumpkin, caress your dumplings
I ain't never leave me girl, so stop frontin
You never wanted a Yes man, you wanted and
Arabesque man
With biceps and a chest imprint
Not a skeleton with hardly any skin
I know it's irrelevant but his penis is probably very thin
I'm hung like the trunk of an elephant
Or the trunk of the tree the serpent wrapped around in
Genesis
with the same devilish melevolence
Tryin to get you to bite in the food, I injected with
seditives
How many orgasms have you had already?
Let's have a shag-a-thon; tell me when you past twenty
When I introduce you to Grand Marye, act friendly
She'll get envious if I ever rub your ass gently
Tonight I'm being a pimp baby, not an emcee
Invite a couple friends, I'll reserve ten seats
After we eat, we can check a couple spots tonight
Gimme kiss, you look hot tonight

[Chorus]

Oooh.. papi..

Oooh.. caliente..

Ooooooh...
