We'll never part
Through sickness and health
You are my heart
I love you more than I love myself

But in the middle of the night
I heard you cryin' in your sleep
It'll be all right, I'll be there for you
If you tell me all your secrets

Yet in the middle of the night
I heard you cryin' in your sleep
I held you tight, I'll be there for you
If you tell me all your secrets

Ay yo
Boy meets girl
Boy really likes her
Boy loses contact with girl
But he finds her
Girl has no clue that boy is a liar
And he has no honor
So she dates him regardless
'Cause she thought he was harmless

And he had her believing
He was the man she wanted
To spend the rest of her life with
The words, "I love you" were priceless
Unpredictable like rollin' dices
Nonetheless in spite of the fright
And repercussions you might get
People still risk they necks

Of course it's nice, the feelin' of courtship
Roses and stuff, women never get it often enough
And the reason people love they mother so much
Besides the fact she carried you for nine months
Is trust, it's a five letter word
That should only occur between him and her
Before the bees and the birds
Word

We'll never part
Through sickness and health
You are my heart
I love you more than I love myself

But in the middle of the night
I heard you cryin' in your sleep
It'll be all right, I'll be there for you
If you tell me all your secrets

Yet in the middle of the night
I heard you cryin' in your sleep
I held you tight, I'll be there for you
If you tell me all your secrets

Ay yo
I heard a soft moan in the middle of March
Then I felt a powerful force
Push me forward like a dart
On your mark
Get set
Go, I was off

Flagella was my propeller
Wiggling back and forth
Then I set across for the border
Mother Nature's karma
Calling me to the rock of Gibraltar
The competition tried to be smart
But I was smarter
My competitors were swimmin' fast

So I swam harder submerged in water
Prayin' to my heavenly father
If I don't make it through, I'm a goner
Screaming out death before this honor
Because I'm awesomely stronger
My stamina last longer
I was destined to be a son instead of a daughter
XY is the male chromosomal order
One'll stay alive, and survive, the rest'll be dead
'Cause I'mma be the one to fertilize that egg

In the middle of the night
I heard you cryin' in your sleep
I held you tight, I'll be there for you
If you tell me all your secrets

Ay yo mommy
I'm up in your stomach buggin'

Whenever you rub it, I love it
Like a comforters covers
You're warm as a oven
Your husband, stop it
How can you love him
Smokin' cigarettes by the dozen
When he knows that I'm comin', bad move

You hopin' that daddy improves
Knowin' in your heart that's bull
Because he's too cruel, you've been abused, used
You got wounds and scars
Stick with your mind not with your heart
Let's go to grandma's, terminate the lease
Call the landlord, give your job two weeks notice
Pack up the car, go to New York, what part?
They got a little borough called the Bronx, mom
And I heard that's where hip-hop is gonna start

Hell yeah, I think we need to be right there
Four months in your stomach
And I already chose a career
When you cry, I hear and I wish I could dry your tears
But I can't 'cause I'm stuck in here
Five months from being able to lay against your chest
I can't even hold you in my arms
'Cause they ain't developed yet
But I swear to you as the God almighty truth
I'mma be there for you
I'mma be there for you

We'll never part
Through sickness and health
You are my heart
I love you more than I love myself

But in the middle of the night
I heard you cryin' in your sleep
It'll be all right, I'll be there for you
If you tell me all your secrets

In the middle of the night
I heard you cryin' in your sleep
I held you tight, I'll be there for you
If you tell me all your secrets

Tell me all your secrets
Tell me all your secrets
Tell me all your secrets
Tell me all your secrets
Tell me all your secrets
