my mouth was mechanically mechanized  
my verbal weapon fires  
a whole clip of rhymes before you could get off one  
round  
can-i-bus will bust ya  
apply enough pressure to crush ya  
i pulverize muthafuckas and leave trees  
laid out like hurricane debris 15 mega tons of TNT  
the overseas block busta  
bustin up blocks like the tungusta meteorite that hit  
Russia  
comin from an underground I've discovered  
a ground underneath the ground of all underground  
bunkers  
dedicated for lunkers??  
deeper than the laborers conducting excavation of the  
matrix  
living in uninhabitable places  
craters of a desert like oasis  
where the sydonia faces as barren as Las Vegas a  
s barren as the wombs of women who use artificial  
insemination  
as barren as Utah's salt lake city basin  
as barren as ancient Egypt before irrigation  
a five star chef makin mouth watering creations  
with blood stains on my apron  
i put the heads of wack emcees in my oven and bake  
'em  
dip garlic bread sticks in their eye sockets and taste  
'em  
its not really that odd  
when you consider part of the Asian culture loves to eat  
dog,  
feline cats with their claws, paws and all  
Caucasians eat frogs  
African Americans eat the hog  
Hindus bow to the floor and worship cows and rats as  
gods  
but i raised the arts spit rhymes towards mars  
and beyond to the nearest binary star  
my metaphors be killing you harshly instead of softly

girls offer me ass to autograph their glossies  
niggas want to know how much it would cost to get on a  
song with me  
5,000 pounds and a pack of smarties  
I'll be at the studio in a heart beat  
call 2-7-9 and 2-7-9 will call me  
if its all peace I'm there  
but if it ain't don't bother holdin' your b
