[Canibus] This is Melatonin Magik... Sumerian, Chinese, Egyptian, Latin Nobody can match Canibus when I'm rappin (what happened?) Captain Cold Crush get it crackin Theres more than one person right now thats not laughin Squash microphones wit unknown chromosomes To discover the codes that controls the brain's frontal lobes The pineal gland glows (go! go! go!) Don't look back, I got ya back bro He's a high profile target, code name Sergeant Armpits He was Rakim Allah's first artist Lemme bus' em; naw, I'ma punish em, Ra I'ma show you how the mothafuckin government lie Got nothin to do with pride, you must realize Few of us will be alive by Solar Cycle 25 I tried to look for solutions, thats not enough time They won't be satisfied til every one of us die Aight, calm the fuck down and listen to my rhymes the only way that you can free yourself is your mind First thing you gotta do is put the antagonism behind Then you gotta put ya life on the line The reward is great; the risk? Even greater Fellowship can only make a Braveheart braver Watch who you followin, watch who you praisin "Yes We Can" backwards is "Thank You Satan" YES I'm Jamaican; YES I'm a patriot NO I will not forsake you for a paycheck YES this is victory, YES i can taste it NO I'm not a Mason, I'm followin my trainin They monitor my body functions from central London My heart rate is thumpin, I suffer from numbness A robot arm shoves the drugs in My scrubs are disgustin and sullen, I smell like cub skin Funky, funky, funky odor; Bridgewater, South Dakota My spit fizz like soda, I'm in a coma In a pagoda, nurse McLovin Says she wouldn't fuck me if I was her husband Dont trust the bitch Im in a warehouse alone I hear doors open and close, No phone, no intercom controls Wouldn't matter anyway Im in a paranormal zone Goose bumps grow, I could hear a few ghosts moan I'm a mastermind, tryin to amplify the frequency of the rhyme So I can learn to fly So yeah, fuck a punchline I'm past that prime, that's not a crime So go find someone else to dick ride Focus on the truth, its long overdue It woulda never happened if I told you what I wanted to do The Inconvenient Truth is a

convenient truth 012 solar cycle 24 commin soon I
promise you Canibus achieved the impossible It's only
logical its time for the truth Whether I'm gonna be
around to witness it or not I spit this shit for hip-hop
Twitter niggas type their hype they write Canibus
smash the mic Cause you cant blackball the light They
know my hands always been tied You call that a fight?
Give me the mic I call in an airstrike Nowhere to run,
nowhere to hide There's some things in this worlts that
money can't buy Respect, honor, fuck it, it's all
corrupted The media can not be trusted You shouldn't
need a budget, to rep hip-hop You don't have to suck
dick just to get your shot Just work with what you got
Don't be a robot, be human Influenced by hip-hop
music It aint nothin like It aint nothin like It aint nothin
like hip-hop music It aint nothin like It aint nothin like It
aint nothink like hip-hop music 50 plus bars is some
new shit Its called Melatonin Magik and music 50 plus
bars is some new shit Its called Melatonin Magik and
music No bullshit Take it back to 1997 exclusive clue
shit The most intrusive MC in hip-hop music Lyrically
you can't do shit
