Oh no! He's alive!  
Rip the Jacker!  
Master!  
Please help us!  
Please please ahhhh!

I'm the real king of my kingdom  
I make my women practice isolationism as soon as I get  
'em  
Run my world with an iron rod behind iron bars  
Enclosed behind iron doors in a small iron box in the  
corner  
Shielded behind fire walls with water doors  
Down the gaseous corridor  
Welcome to my world of horror  
A coroner with an immortal ora  
The rhyme slinging highlander ripper rip you to live  
longer  
Get strong every record that I record  
Morph my arms into a sword and clothesline you  
running forward  
You can't ignore Bis Mothafucker I started this  
As far as artists that spit Canibus is dominant  
Hot shit from a lava pit  
Studied by oceanographers  
At the oceans bottom with rocket ship sound effects  
A ripper in the flesh signed in ink, nigga  
You ain't ill if you need time to think  
You talk shit my personality splits  
You get ripped and that's it  
A +True Hollywood Story+ bitch  
In my world Jermaine's gone Canibus is just a Monica  
Stay behind to follow up and demolish you fucks  
Can-I-bus (Yeah!) now that's what I'm talking bout  
Call me Mr. spit shit also known as toilet mouth  
Y'all been warned about a million times  
I done wrote about a million rhymes since July '85  
When I'm writing I'm impervious to fraud  
My fine arts verbal collage is worthy of the gods  
When I'm 30 years old I'ma quit rhyming  
Collect my own catalogue and open up a library

Lock myself in solitary six months at a time  
Work at the university and teach sick fucks how to  
rhyme  
Nobody safe nobody say that they great  
I'll put a Jacker's whole body in a crate  
Trap your soul in an electromagnetic face  
Put the crate on a wide-low rider and drive it in a lake  
Look in my eyes then look in my face  
Nobody's here to arbitrate  
Realise its time for your fate
