[22 second intro]

[Canibus]

I'm the real king of my kingdom

I make my women practice isolationism as soon as I  
get 'em

Run my world with an iron rod behind iron bars  
Enclosed behind iron doors in a small iron box in the  
corner

Shielded behind firewalls and water doors  
Down the gaseous corridor, welcome to my world of  
horror!

A coroner with an immortal aura

The rhyme slang and holla at a Ripper, rip you to live  
longer

Get stronger every record that I record  
Morph my arms into a sword and clotheslines you  
running forward

You can't ignore 'Bis, motherfucker I started this!

As far as artists that spit, Canibus is dominant

Hot shit from a lava pit studied by oceanographers  
At the ocean's bottom, with rocketship sound effects

A Ripper in the flesh, signed in ink, nigga

You ain't ill if you need to time to think

You talk shit, my personality split, you get ripped and  
that's it

A "True Hollywood Story" bitch

In my world Jermaine's gone, Canibus is just a moniker

Stay behind the follower, I'm fin' to demolish you fucks

Can-I-bust? (YEAH!) Now that's what I'm talkin 'bout

Call me Mr. Spit Shit, also known as Toilet Mouth

Y'all been warned about a million times

I done wrote about a million rhymes since July '85

When I'm writin I'm impervious to fraud

My fine art's verbal collage is worthy of the Gods

When I'm 30 years old, I'ma quit rhymin

Collect my own catalogue and open up a library

Lock myself in solitary six months at a time

Work at the university and teach sick fucks how to  
rhyme

NOBODY'S SAFE, NOBODY can say that they great

I put a jacker's cold body in a crate

Trap his soul in an electromagnetic vase  
Put the crate on a wide lowrider and drive it in a lake  
Look in my eyes, then look in my face  
Nobody's here to arbitrate, realize it's time for your  
FATE!  
HA HA HA! (HA HA, HA, HA HA HA..)
