[Hook]

He love me (He love that rock)

He love me (He love that rock)

He love me (He love that rock)

He love me, (Well he if he love you then tell him to stop)

He love me (He love that rock)

He love me (He love that rock)

He love me (Come on bitch, he love that rock)

He love me, (Well he if he love you then tell him to stop)

[Canibus]

You ever came home everything ya owned was gone

TV, VCR, fridge and phone

And poor your Armani boo cologne

That nice China set from your mother-in-law

Ya say to yourself "How could I get robbed?"

The guard dog would've bit somebody for sure

Could it be somebody that you probably know

Got the ABT code and the keys to the door, no

You better think again gullable ho

Somebody you know was on a rob patrol

[C-4]

And I seen em' pull up in a Pinto

I couldn't believe, eyes peekin' through the window

Ain't y'all engaged, well that day he was with the

neighborhood bimbo

I thought to myself, OH!

Why would he a need a credit card to get in for

You keep a set of keys under the mat

He ain't thinkin' of that, he stealin' for crack

On the street he can get a hundred for that

I hope you don't really think he bringin' it back

I'm tellin' ya girl he stole it

He was standin' around the last time I saw it

I remember when you bought it

That son of a bitch got balls if he can pawn it

I remember when I seen him this morning

He pulled me to the side asked me if I want it

I had to look real close for a moment

I was shocked when I seen it was your shit

He put it away cause he somebody was comin' and just
took off runnin'

I told ya woman, he love that rock

[Woman]
I remember when I met him
