Canibus man

Yo yo let me explain something so that u understand
U will never be iller than the Canibus man
U could be male, female, black, white
Fuck the details
I rip a nigga with a rhyme till he screams help
any nigga I told to kneel knealt
U haven't the slightest idea what a real emcee is about
U need to be yourself
and u can't sound like nobody else.
U can't do all of tha beats yourself
U can't do it without the streets help
Niggaz on the block who blast the boombox till the
speakers melt
That's how I was brought up
Big fat elephant balls - What?
I'm a knucklehead with big walnuts.
Small frame xtra large guts
I do anything to a nigga if he push me hard enough
I used to rhyme like all day
I mean literally spittin till ma jaws felt sore with pain
I used to train with myself in the mirror
Like "Mirror mirror on the wall, tell me who's iller"
How u like that?
I used to say it just like that
Maybe I should copyright that
I'll be right back

Sorry to leave you hangin'
I write things down quick cuz i ain't takin no chances
That's the difference between u and me
U a wannabe and I'm an emcee
I'm just in the booth right now
I'm just kickin it with you right now
I'm tellin u the truth right now
U can't fuck with the canibus man! x2

[PAC-MAN]

Yeah

You can't fuck with the canibus man x4

[CANIBUS]

Yo in this rap field

I got a lot of confirmed kills

I put niggaz through drills to proove if they got true skills

U could have sold millions, but If you ain't got a 100 bars

U can SHUT THE FUCK UP!

At least don't talk to me

cuz I ain't hearing u-acapo
