### "When I Leave This World"

Visit "[When I Leave This World](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Yo as the time passes/ I pray and thank the lord/ for  
letting me live to see another day/ And when you finally  
take me away/ I want ot die no pain/ I want the world to  
know name/ But the qustion remains/ Will I finally  
change ways?/ Or will I live my life the same/ Cause it  
seems that life these days are nothing but games/ And  
only God knows my pain/  
Or if I'll die today?/ Or will I die with fame?/ Will I watch  
my kids play?/  
Or will I die of old age?/ Or will catch a sickness like  
cancer or aids?/  
But no matter what path I take/ I gonna run into people  
that hate/  
People that are real and not fake/ Tell me lord/ Do you  
just test me to see how I can take?/ In this case why was  
I born?/ Or is it just my fait?/

Chorus 2x

Take me away  
Take me away from here  
Whipe away  
Hhipe away my tears  
Don't leave  
Don't leave me here  
Cause the pain I feel is everlasting

I remmeber growing up I was thoughty not to talk back/  
Now I can't relax/ Cause my past/ It seems like my child  
hood was to good to last/ And when shit happens I  
gotta think fast/ Before I react/  
One fuck up/ Then I'll get locked up/ I wanna do good  
but it's so easy to do bad/ And when I think about the  
shit I never had/ It makes me mad cause I see my  
family sad/ It seems like no matter what/ My dad was  
never there/ It seems like he never ever cared/ Never  
sat down to take the time to write/ It seems like I always  
wake up at night with these night mares/ I keep haveing  
suicidal thoughts/ Till god came in/ And toke it all  
away/ Then left me here all alone/ Now I'm here to oh  
bay

Chorus 4xc  
Take me away  
Take me away from here  
Whipe away  
Whipe wawy these tears  
Don't leave  
Don't leave me here  
Cause the pain I feel is ever lasting
