YA TEEF IZ YELLOW  
YA TEEF IZ YELLOW  
YA TEEF IZ YELLOW  
YA TEEF IZ YELLOW

I never thought that it could come down to this  
YA TEEF IZ YELLOW  
it's a subject that I just can't resist  
YA TEEF IZ YELLOW  
You got jokes, but this one here is for you  
YA TEEF IZ YELLOW  
here's a list of things I think you should do  
YA TEEF IZ YELLOW  
As yellow as some pineapple punch  
YA TEEF IZ YELLOW  
they got that way because you don't brush  
YA TEEF IZ YELLOW  
It's too late for that, toothpaste won't be enough  
YA TEEF IZ YELLOW  
you probably got gingivitis in your gums  
YA TEEF IZ YELLOW  
How you smell so freely showin' ya teef  
YA TEEF IZ YELLOW  
if I was you, i'd go and get them shits bleached  
YA TEEF IZ YELLOW  
You need to start buyin toothbrushes by tha threes  
YA TEEF IZ YELLOW  
did anybody ever tell ya they look like straight cheese  
YA TEEF IZ YELLOW  
Mustard yellow, soon they'll be green and brown  
YA TEEF IZ YELLOW  
you totally disgust tha people your around  
YA TEEF IZ YELLOW  
I must admit, they nasty as fuck  
YA TEEF IZ YELLOW  
God forbid somebody drink out your cup
