Beautiful lies beautiful lies each word is a heartache in  
perfect disguise

I can't help but listen and then realize the words you  
have spoken are beautiful lies

Call me a dreamer in a fool's paradise  
My heart knows no difference at love that's unwise  
Tell me you love me and will till you die like music you  
thrill me with beautiful lies

I hear wedding bells ringing have stars in my eyes  
I see red roses blooming a rainbow in the sky  
All sweet things come to me and the twinkle of an eye

When you hold and tell me those beautiful lies  
Beautiful lies beautiful lies...
