I'm drinking champagne feeling no pain till early morning  
Dining and dancing with every pretty girl I can find  
And I'm having a fling with a pretty young thing till early morning  
Knowing tomorrow I'll wake up with you on my mind

Guilty conscience I guess though I must confess  
I never loved you much when you were mine  
So I'll keep drinking champagne...  
Guilty conscience I guess...

So I'll keep drinking champagne...  
Knowing tomorrow I'll wake up with you on my mind
