Gentle woman mine gentle woman mine your love's the  
lasting kind

Gentle woman mine gentle woman mine you belong to  
me you're mine

You lay your head beside me and you gently take my  
hand

I feel your body close to mine you understand your  
man

Gentle woman mine...

We pull the night around us like a blanket warm and  
black

The problems of the world are gone and we don't want  
'em back

You breathe soft on my shoulder and I hold you close  
so tight

I wouldn't give the whole wide world for what we have  
tonight

Gentle woman mine...

Gentle woman mine...
