I'm throwin' a goin' away party a party for a friend of mine
So put me somewhere off in a corner with a glass and bottle of your party wine
Don't worry it won't be a loud party I feel too low to get too high
It's just a sad goin' away party for a dream I'm telling goodbye
I'm throwin' a goin' away party a party for a friend of mine
Nobody's coming but a heartache and some tears will drop in now most anytime
Don't worry it won't be a loud party dreams don't make noise when they die
And Joe since sets a goin' away party go away and let me cry

And Joe since sets a goin' away party go away and let me cry
