Take the ribbon from your hair shake it loose and let it  
fall  
Laying soft against my skin like the shadows on the  
wall  
Come and lay down by my side till the early morning  
light  
All I'm taking is your time help me make it through the  
night  
I don't care what's right or wrong I won't try to  
understand  
Let the devil take tomorrow Lord tonight I need a friend  
Yesterday is dead and gone and tomorrow's out of  
sight  
And it's sad to be alone help me make it through the  
night  
[ steel + guitar ]

I don't wanna be alone help me make it through the  
night  
Oh it's sad to be alone help me make it through the  
night
