When you are sad and lonely and have no place to go
Just come to see me baby and bring along some dough
And we'll go honky tonkin' honky tonkin' we'll go honky
tonkin' honey baby
We'll go honky tonkin' round this town

I'm a goin' to the city to the city fair
If you go to the city look around and you'll find me
there
Cause I'll be honky tonkin' honky tonkin' I'll be honky
tonkin' honey baby
I'll be honky tonkin' round this town
[steel - guitar]
When you and your daddy have a fallin' out

Just call me up sweet mama and we'll go steppin' out
Yes we'll go honky tonkin' honky tonkin' we'll go honky
tonkin' honey baby
We'll go honky tonkin' round this town
When you are sad and lonely...
