If you hurt me you won't be the first or the last in a
lifetime of many mistakes
But I won't spend tomorrow regretting the past for the
chances that I didn't take
Cause I'll never know till it's over if I'm right or I'm
wrong loving you
But I'd rather be sorry for something I've done than for
something that I didn't do

When you touch me it's easy to make me believe
tomorrow won't take you away
But I'll gamble whatever tomorrow might bring for the
love that I'm living today
Cause I'll never know...
