(I've got a woman to lean on)  
I've seen times there was no way the sun could ever  
shine  
And I've seen me so completely down and I count up  
every time  
But I've got me something special that keeps me going  
strong  
When life gets rough hmm hmm I've got a woman to  
lean on  
I've got a woman to lean on when I need her she stands  
by  
She's a lovin' flowin' fountain the stream that never will  
run dry  
She's a lady and she's a mother I think of which some  
kinda lover  
Hmm hmm I've got a woman to lean on  
[ fiddle - steel ]  
I can't buy her the things I'd like but I don't hear her  
complain  
If I needed water to save my life I think she could make  
it rain

And it's just a fact of livin' that sometimes things go  
wrong  
But I don't worry hmm hmm I've got a woman to lean on  
I've got a woman to lean on...  
Hmm I've got a woman to lean on
