Let me be the one when the day is done
To share your laugh and your lullaby wine
It's so long, long time till the end of time
And so much to do, making sweet love to you

Like the star that you wish on
I'll be the one who knows what you're dreaming of
Whenever you're lonely, let me be the one
To come to you with love, let me be the one

When storms come callin'
Let me be the one to chase any clouds that appear
Let me be the one to hold you and tell you
Don't worry, there's nothing to fear, let me be the one
