Living on free food tickets,  
water in the milk from the hole in the roof  
where the rain came through  
what can you do hmm.  
Tears from your little sister crying because she doesn't  
have a dress without a patch for the party to go, but you  
know she'll get by

Cause she's living in the love of the common people  
Smiles from the heart of the family man  
Daddy's gonna buy you a dream to cling to  
Mama's gonna love you just as much as she can  
and she can

It's a good thing you don't have a bus fare  
Or it would fall through the hole in your pocket  
And you'd lose it on the snow on the ground  
you gotta walk into town to find a job  
trying to keep your hands warm  
when the hole in your shoes let the snow come through  
and chill you to the bone, so now you better go home  
where it's warm

Where you can live in the love of the common people  
Smiles from the heart of the family man  
Daddy's gonna buy you a dream to cling to

Mama's gonna love you just as much as she can  
and she can

Living on dreams ain't easy  
But the closer the knit the tighter the knit and the chills  
stay away  
You keep 'em in stride for family pride  
You know that faith is your foundation but with a whole  
lotta love  
And a warm conversation and don't forget to pray  
Making you strong where you belong

And we live in the love of the common people  
Smiles from the heart of the family man  
Daddy's gonna buy you a dream to cling to

Mama's gonna love you just as much as she can  
and she can
