If you could see me now the one who said that he'd
rather roam
The one who said he'd rather be alone if you could only
see me now
If I could hold you now just for a moment if I could
really make you mine
Just for a while turn back the hands of time if I could
only hold you now
But I've been too long in the wind too long in the rain
taking any comfort that I can
Looking back and longing for the freedom of my
chains
And laying in your lovin' arms again

If you could hear me now singing somewhere through
the lonely night
Dreaming of the arms that held me tight if you could
only hear me now

But I've been too long in the wind...
I can almost feel your lovin' arms again
