When I said I needed you you said you would always
stay
It wasn't me who changed but you and now you've
gone away
Don't you see that now you're gone and I'm left here on
my own
That I have to follow you and beg you to come home
You don't have to say you love me just be close at hand
You don't have to stay forever I will understand
Believe me believe me I can't help but I love you but
believe me I'll never tie you down
Left alone with just a memory life seems dead and
quite unreal
All that's left is loneliness there's nothing left to feel

You don't have to say you love me just be close at hand

You don't have to stay forever I will understand believe
me believe me
You don't have to say you love me...
Believe me believe me believe me believe me believe
me believe me
