1st Verse:

As I sit alone in the dark I wonder where you are and
you have to be so far away from me but anytime the
world starts to fall apart I know right where you are to
help me heal the scar of the life I lead

Chorus:

But from now on I know I'll need you cause I'm down on
my hands and knees too don't go please don't go I
know

2nd Verse:

Inside is where it hurts me the most cause I feel so
close to your feelings and how they're supposed to be
can I hold you up in my arms but I can't play the part it
comes from the bottom of my heart you see
