1st Verse:

Right now grip tight for good measure somehow his
pain's her pleasure the more he falls the less she cares
the less she talks the more he shares (somehow) for
now the worst is over be proud you braved the stormy
weather the bottle's gone and now he's fixed his moves
are wrong but the pieces fit (the pieces fit)

Chorus:

There's no turning back this means transition either
change or be changed by reaction they've taken it too
far overlooking the edge from the start (2x for 2nd
chorus)

2nd Verse:

Right now is a good time as ever to shout because it's
now or never to reconcile differences his gracious
smile her temperament (her temperament)
