Ooohooo, ooohooo)  
(Ooohooo, ooohooo)

If you want a sweet, sweet love tonight  
Call me and I'll make you feel alright

When you're out and running around  
Playing games all over town  
Turn around (Turn around), come on down ( Come on  
down)  
I'll be there, yeah, yeah!

If you want a sweet, sweet love form me  
Take a chance with someone new you'LL see

I can make your fire burn with the touch or just one kiss  
Turn you on (Turn you on ), all night long (All night  
long)  
You'LL be gone, gone, gone!

(Honey, now I'm on my way, I'm on fire)  
There'LL be something I can't buy her  
(Honey, now I'm on my way, I'm on fire)  
I can feel no higher

(Honey, now I'm on my way, I'm on fire)  
You keep feeding me up higher  
(Honey, now I'm on my way, I'm on fire)  
You know I ain't no lier

If you want a sweet, sweet love form me  
Take a chance with someone new you'LL see

I can make your fire burn with the touch or just one kiss  
Turn you on (Turn you on ), all night long (All night  
long)  
You'LL be gone, gone, gone!

(Honey, now I'm on my way, I'm on fire)  
Don't you know, don't you know, you're my fire  
(Honey, now I'm on my way, I'm on fire)  
I can feel, I can feel when you're getting higher

(Honey, now I'm on my way, I'm on fire)  
Burn me, burn me, burn me  
(Honey, now I'm on my way, I'm on fire)  
I can feel so higher

(Honey, now I'm on my way, I'm on fire)  
Don't you know you keep me feedig up higher?
