(feat. Max B)

[Chorus x2: Max B & Jim]

BYRD GANG WE GET MONEY....  
WE WON'T STOP, WE DESTINED TO BLOW  
I'MA TAKE MY NIGGAZ AND BITCHES WHEREVER I  
GOOOO  
SO DON'T FORGET ABOUT ME, DON'T FORGET ABOUT  
MEEEE....  
I KNOW I KNOOOOOOW

[Verse 1:]

Now due to me (JONES!)  
Me and my truancy (NINE TREY!)  
Running through the streets since early puberty!  
(YOUNG NIGGAZ!)  
What influenced me (let em know)....it was the jewelry  
Tryna get cash so I can do it like the older G's  
(BALLIIING!)  
The 80's...big thick rope chains  
Life was all crazy getting rich off cocaine (TRUE STORY  
NIGGA)  
...so I been caught up dog, nothing like Usher (no).....  
More like a hustler (yep)  
All night with customers, tryna get my paper up (right)  
Jealousy, envy....gotta watch, they'll spray you up  
But it was something bout the gun play....  
Rolling dice on blocks, double parked up on a one way  
(TRIPS NIGGA!)  
And breaking law was the norm' (yep), the club break  
about 4 in the morn'd  
So we parking lot pimp, hit the diner for some grub  
The squad type thick you know I'm rolling with the  
thugs

[Chorus]

[Verse 2:]

Now as I roll up my window (R-Class), blaze up the indo  
(that purple!)....  
Get tore down for my homies in the pen (miss you

Zeke)

I'm ma take you the Cali with me (WESTSIDE!)....

Know ya dress code, heavy sag on ya Dickies (B'S & C'S!)

You catch me out in Houston, and usually we can slow it up (slow motiooon)

And get screwed, get a deuce and we can pour it up!

ATL sharp, if you balling and you make it rain

(BALLIIING!)

"I'm in love with a stripper", alcohol on ya brain

Fast track life, the shit is uncanny (I LOVE IT)

When it come to birds fly south to Miami (OPIUM!)

Weather like 80 (sunny), drop-top Mercedes (BALLIN)

"Sai Pa Say", on the block in Little Haiti

Chicago is the bulls, the bears, and the gangster's (you hear that?)

2 12'N with the OG's, tryna get the answers

And all these O. T trips got me tired

Drive the wheels til they fall off

And I just bought some new tires

[Chorus]
