One, two, is this on?

Ha, yo Jimmy hit me with that Triple H (ha, ha, ha, ha,  
ha, ha)

Yeah, you let the music keep playing Mr. Dumb Shhh-it

Yo, tell me what time it is now

You don't know what trouble is I

t's our time Yo, here comes trouble

Not gonna listen anybody

Tell me who and what to be

Not trying to be like everybody

Tired of playing make believe

Cause I am the blind, and the blind lead the blind

My time, our time,

My time, it's time

My time, our time, My time

We're not looking back, and we've had enough

You don't know what trouble is

Games, Politics, Sissy Sons (FYI, Shane McMahon),

One time (Break your mind, Break your mind, Break  
your mind)

Money fools, Stupid rules (I've had enough of this)

All your stupid rules (Yo, you keep your finger off the  
switch Gun)

All your stupid rules

Don't you understand your revolution (All your stupid  
rules)

And don't you understand your own confusion (All your  
stupid rules)

Make up our fantasy in your little mind

Follow me like the blind lead the blind (All your stupid  
rules)

Follow me like the blind lead the blind, yeah

Yeah, yo the years went by with your lies The Marks,  
The Suits, McMahon  
Give us a shot, and we'll give ya nothing The smart  
one, the mellow one, the easy one

Well, it's our time now (yeah) It's our time now  
You know it's our time now Let the truth set you free

Ha, Yo Dillon, keep your finger off the switch It's our  
time  
It's our time (I've had enough of this) It's our time for  
the...  
GRAB (I've had enough of this, Yo, I've had enough of  
this)

Who, who's sleeping with who around here?  
(I've had enough of this, You know, I've had enough of  
this)

(I've had enough of this) Yeah, the years went by with  
your lies  
The Marks, The Suits, McMahon Give us the shot, we'll  
give ya nothing  
The smart one, the responsible one, the easy one, the  
mellow one  
Well, it's our time It's our time It's our time It's our time  
for the...  
GRAB (You will.. Find out.. What Trouble is)

You will, mark my words, find out... what trouble... is

(They think we're kidding) Yo tell me something, who's  
sleeping with who?

Huh, Does anybody know who's sleeping with who? (Ha,  
I can't hear you)
