No chance thats what 'cha got (ha ha yeah)
Up against a machine too strong
Greedy politictions buying souls from us are PUPPETS
You'll find your place in line
Now, tie a string around your finger now boy
Cause is just a matter of time

Cause you got No chance
No chance in hell
You got no chance
No chance in hell
You got no chance
No chance in hell
You got no chance
No chance in hell
Yeah

By making regulations
it's a game of porn and strings
little puppets making moves
making people change
politics and money
aint the pleasure and the pain
and the never broken notice as what's down the train

Cause you got No chance
No chance in hell
You got no chance
No chance in hell
You got no chance
No chance in hell
You got no chance
No chance in hell
Yeah

C'mon
C'mon
Come and get it c'mon
C'mon
C'mon
Come and get it c'mon

C'mon
C'mon
Come and get it c'mon
C'mon
C'mon
Come and get it (c'mon)
No chance (yeah)
No chance
No chance in hell
You got
No chance
No chance in hell
You got
No chance
No chance in hell
You got
No chance
No chance in hell
Yeah
