I wear a mean dark pair a shades
(You know we can't have one a nuthin')
(So we had to double up)
You can't see my eyes unless my head is bent

Dipset..
REMIX!!!!

[Chorus]
We fly high, no lie, you know this (Ballin!)
Foreign rides, outside, it's like showbiz (ladies)
We stay fly, no lie, you know this (remix)
Hips and thighs, oh my, stay focus

[Jones]
PC blowticious, Lamborghini, it's audicious
From Harlem to Hollywood I'm still hood,
500 horses stuffed in my Ferarri hood
Fuck niggas talk bout MCs on my hills
Hip hop was dead and killa gave me the will
Black car fever got this nigga feelin I'll it's the shop for
a now nigga givin out deals
(Its all about the Benjamin's baby)

I'm flying off Lennox, in the Bentley all crazy
The roof top as I am showin my ass,
I brought New York back ya niggas ain't got a chance

[Chorus]
We fly high, no lie, you know this (Ballin!)
Foreign rides, outside, it's like showbiz (ladies)
We stay fly, no lie, you know this (remix)
Hips and thighs, oh my, stay focus

[T.I.]
I ain't gon' lie I'm fucked up ,if we all die then we all

The only one thang gonna get us by and that's the ball
game,
Then buy me a lonely crib 50 on the dog tag, Cracks on

And you thought i have gone mad, naw I had to gone
Grab the spida at the red light,
Blue florescent head light, you better get your bread
right,
You ain't a baller, you chase checks I check write, even
wen I got a dog outside on my neck right

[Diddy]

Hey ya hold up, pick a restaurant Chows or Chin Chin
Now pick a car, which one I ain't been in,
Pick a watch as long as the hand spinnin
Pick a actress which one I ain't swim in
The yachts still on the deck
Retirement plan i dropped it on her neck
I'm still spending old money , Benjamin's remix 10
Year gold money mothafuckas

[Chorus]

We fly high, no lie, you know this (Ballin!)
Foreign rides, outside, it's like showbiz (ladies)
We stay fly, no lie, you know this (remix)
Hips and thighs, oh my, stay focus
