It's all about that paper, niggas ain't pimping right...  
60 rackz in my pockets, where my bottles at?  
60 rackz in my pockets, ...

I'm all about that motherfucking paper hoe  
This song goes out to all my money making hoes  
60 rackz in my pocket, 60 rackz in my jeans  
60 rackz in my rocket top back when I lean  
I pull up in that motherfucking phantom ghost  
This song goes out to all my niggas getting dough  
60 rackz in my pocket, 60 rackz in my jeans  
60 rackz in my rocket top back when I lean

I got my top back when I lean, got that in my jeans  
Can't believe I ... rackz in the pocket of my jeans  
Now that ... my dreams, make that chop, choppa gonna  
scream  
Violating will catch him sleeping and pop, pop at your  
dreams  
Drop black when I cop that, you only got that in your  
dreams  
She suck my dick and then swallow it and then put the  
dick back in my jeans  
Blown nose, ... getting top back on that beam  
For the ... like it is got back for my rings  
... my team got that glock strapped in my. ..  
Rolling dice and we had to stop cause them cops back  
on the scene  
G... and I twist the back and I told them 40 was in it  
Double park with that engine running and the fly  
Shawty was in it

I'm all about that motherfucking paper hoe  
This song goes out to all my money making hoes  
60 rackz in my pocket, 60 rackz in my jeans  
60 rackz in my rocket top back when I lean  
I pull up in that motherfucking phantom ghost  
This song goes out to all my niggas getting dough  
60 rackz in my pocket, 60 rackz in my jeans  
60 rackz in my rocket top back when I lean

I say I ... my waist, diamond's clear like a good day  
I was thinking bout Miami, took that ... out to L.A.  
I don't need ... all I need a fresh pair jays  
Talk about them champions, them 6 ...  
They nothing changed...  
Drop top and we pumping heat  
Cause them niggas know we kill summers  
...they be stunting, grand slamming these hoes  
Man these niggas out here they just bumping  
Pockets hold about 60, if I ... they crispy  
Talking dirty...we both let the spark...  
I'm a fly boy, my billy... I buy toys off ceiling nigga

I'm all about that motherfucking paper hoe  
This song goes out to all my money making hoes  
60 rackz in my pocket, 60 rackz in my jeans  
60 rackz in my rocket top back when I lean  
I pull up in that motherfucking phantom ghost  
This song goes out to all my niggas getting dough  
60 rackz in my pocket, 60 rackz in my jeans  
60 rackz in my rocket top back when I lean.
