Verse 1 Jim Jones:

And i know our relationship i neglected
So im hopin this apology you'll accept it
And i know up in ya mind you feel disrepekted
Just think about the time that you invested
But somewhere along the line we got diskonnekted
And you tell me i was wrong so i stand korrekted
You aint up here in the mall girl i kant accept it
And so a woman skorned is wat this man was left wit
I got her feelin like no otha option
Back against the wall love got ha boxed in
Fightin wit a hard love got ha boxin
And all those bruises on ha soul like she was fightin
Hopkins

Chorus Ashanti:

See i dont want to love you anymore
And i dont want to touch you anymore
Im changin all tha locks thats on this door
So gone so goooone
I used to give you every piece of me
Until you fucked around and lost that key
I used to really love you now i think nothin of you

You aint gotta kum back no more kuz im goone
