Hey

Down on the .. way I am coming from
And they don't understand what I brought
Some beef fucking these bitches
Keep making us riches keep talking my money
On the road to the riches these bitches ain't seen us
balling
They hear the scratch on them â€¦what the fuck is on
your mind
I am gonna keep pushing the text keep making these
niggers mad
Strip club and .. tell them .. to kiss my ass uuu
Down on the .. way I am coming from
And they don't understand what I brought
Some beef fucking these bitches
Keep making us riches keep talking my money
On the road to the riches these bitches ain't seen us
balling
They hear the scratch on them â€¦what the fuck is on
your mind
I am gonna keep pushing the text keep making these
niggers mad
Strip club and .. tell them .. to kiss my ass uuu

I am gonna keep up that flow
Keep talking for that caution I would be .. when I am
scotching
And I will be stuffed in that coffin â€¦ paid like they are
about to be coasting
Way you niggers are popping mixing up my name
telling me to come .. picking up that brain
I am picking up these hoes got me sucking that .. my
pajama is on that â€¦ plain

We are gone
Down on the .. way I am coming from
And they don't understand what I brought
Some beef fucking these bitches
Keep making us riches keep talking my money
On the road to the riches these bitches ain't seen us
balling
They hear the scratch on them â€¦what the fuck is on
your mind
I am gonna keep pushing the text keep making these
niggers mad
Strip club and .. tell them .. to kiss my ass uuu
