High 95 on my way to Atlanta
Whole of trunk full of Hanna Montana
ADG I am that nigga
He got that ... bunker, I got that Kimmi Gibler
My thread house look like 4 house
Handyman, I be walking with the tool out
Retarded big gun, the bullets drool out
Everybody naked, this shit look like a pool house
These fake niggas make my stomach hurt
Let's go to Bloomingdale's, I'll show you how these
hunneds work
Take them to the trap, show them how them numbers
work
Man I'm talking more white than an undershirt
Pounds of purp, gallons of lean
Jason mask, but it ain't halloween
Hahahaha, all a nigga know its' gangsta shit
So if you got a gun motherfucker bang that shit

Fuck a pussy nigga, keep a bad bitch
Shout out to all my niggas that be doing this
Hold your block down, go and buy a brick
You only live once nigga, do some gangsta shit
Fuck a pussy nigga, keep a bad bitch
Shout out to all my niggas that be doing this

Hold your block down, go and buy a brick
You only live once nigga, do some gangsta shit
You know me, I've been riding with the g's
All self snow all we need is ...
Told pappy all we need is keyz
Told my bitch get the keyz to the V's
Whips ...without keys to the V's
Next thing there she's on her knees
On ... so I just lay back and breathe...
Feel sick like he's a disease
So hot all I need is the breeze
But I'm trying to cool off motherfucker,
Why do you think my wrist on freeze
Here's to Atlanta, that's where my bitches from
Whoa, I keep that hammer in case you niggas getting
dumb
MC hammer, ... I try to get to heaven
When I got a hook, it's like the fish's been caught
Get them, I've been ...book, and you still ain't here
With all the shit you brought, silly
...Jewish lawyers, when I hit that card
When I beat that case I'ma hit that dealer and get that
Porsche
And it's just a thought, let's do some gangsta shit, like
what?
Like drop the top hop out that top and bang that clip

Fuck a pussy nigga, keep a bad bitch
Shout out to all my niggas that be doing this
Hold your block down, go and buy a brick
You only live once nigga, do some gangsta shit
Fuck a pussy nigga, keep a bad bitch
Shout out to all my niggas that be doing this
Hold your block down, go and buy a brick
You only live once nigga, do some gangsta shit
Nigga do some gangsta shit, do some gangsta shit
Nigga do some gangsta shit, do some gangsta shit
Nigga do some gangsta shit, do some gangsta shit
Nigga do some gangsta shit, do some gangsta shit
Nigga do some gangsta shit, do some gangsta shit
Nigga do some gangsta shit, do some gangsta shit
You only live once nigga, do some gangsta shit.
