The movie, damn sure is a movieâ€¦nigga  
Don't you judge me, look in the mirror nigga  
Yeah, yeah, yeah, yeah  
Judge that bitch  
Yeah, yeah, yeah fucking these half price hoes with this  
bad ass attitude  
Watch me take the game to another altitude  
Get fly everyday on my agenda, fuck a bruiseâ€¦  
â€¦all I remember

Don't you judge me, yeah, yeah, yeah, yeah, yeah  
Don't you judge me, yeah, yeah, yeah, yeah, yeah  
Don't judge me nigga, it gets spooky  
We burn the tree, we burn the tree, we burn the tree  
But don't you judge me, yeah, yeah, yeah  
Don't you judge me

You can't judge me without a lawyer with me  
And don't judge me because my toys is pretty  
My guns is loaded, my bitch is bad  
And when the summer roll make sure that all my whips  
is fast  
When winter come, the trucks is big  
Mike Tyson attitude nigga fuck your kids  
You little niggas, we does it big  
And for my fly bitches they love the kid, hey baby  
She on dolphins I don't mean Miami  
I had the gun bolging, you can see the swammy  
Pissing for a status while a bitch hug me  
I was sitting bubbly why you niggas wanna judge me

Don't you judge me, yeah, yeah, yeah, yeah, yeah  
Don't you judge me, yeah, yeah, yeah, yeah, yeah  
We burn the tree, we burn the tree, we burn the tree  
But don't you judge me, no no no, yeah yeah yeah  
Don't you judge me  
Don't you judge me, yeah, yeah, yeah, yeah, yeah

You can't judge a book by its covers  
Where I'm from, you can't judge a crook by his color  
We was hungry, we started cooking butter

So I asked the lord, why you throw us in this gutter  
I'm tryna play, but that don't play the bills  
And going bankrupt will give me crazy chills  
Staring at the judge when I was facing trial  
I recall I gave my lawyer like 80 thous  
For every crime I was acquitted  
And I should be facing time for all the crimes  
committed  
Roll murda,â€ he tell me come and visit  
Hop board, on my time is like a fucking â€

Don't you judge me, yeah, yeah, yeah, yeah, yeah  
Don't you judge me, yeah, yeah, yeah, yeah, yeah  
We burn the tree, we burn the tree, we burn the tree  
But don't you judge me, no no no, yeah yeah yeah  
Don't you judge me  
Don't you judge me, yeah, yeah, yeah, yeah, yeah

More â€ Louis Vuittonâ€ the average nigga  
Cash on deliver, work flowing like a nigga  
â€ this is big bizness  
Cold silence, just to stand beside me  
These bitches cause a riot  
There's red bottoms everywhere I go  
We gettin money in the hood nigga that's for su'  
Go to Vegas with the elephant nights  
Smashing on this bitch with them jellos shotsâ€

Don't you judge me, yeah, yeah, yeah, yeah, yeah  
Don't you judge me, yeah, yeah, yeah, yeah, yeah  
We burn the tree, we burn the tree, we burn the tree  
But don't you judge me, no no no, yeah yeah yeah  
Don't you judge me  
Don't you judge me, yeah, yeah, yeah, yeah, yeah.
