*[Jim Jones talking]*

Hello, oh' whats up baby,  
Aint doing nothing im on my way home right now,  
What?!? Im in tha studio  
Yo i gotta get ready and go home man

*[Woman Singing]*

I'm in love...With a thug  
I'm in love...With a GanGsta, Yeh

*[Jim Jones]*

Now my wife she won't stop blowin' my phone up  
Every Bitch conversation they keep throwin' tha Jones  
up..(They Lien)  
It makes it hard im tryna show her lv grown up  
But deep down inside she know i will never give them  
ho's up  
She talk marriage but ya boy froze up, cold feet  
Man she know im in love wit' these cold streets  
So im flowin' threw tha night, just left my bitch house  
Im going home to my wife, as i live this double life

*[Woman singing]*

I'm in love....With a thug  
I'm in love.....With a GanGsta, Yeh [X2]

*[Jim Jones]*

It started as a crush for years wishin' i could fuck her  
Next thing i got caught up, she had me trippin' like a  
mushroom  
Shit became fucked up cause we both became love-  
struck  
I be out commitin' crimes, she be still up on my mind  
Now im tryna shake it off, she still drippin' through tha  
brain  
You know i fean for her like a hit of that Cocain  
She say my thug is like drugs and she need her a  
rehab  
And she strung out over love when she see me see  
relapse

*[Woman singing]*

I'm in love....With a thug  
I'm in love....With a GanGsta, yeh [x2]  
No matter what, no one can judge me or tell me how i  
could feel  
Lord knows this man, Is ryde or die, he keeps it so so  
real  
Even if his pants hang low, or some times he'll even roc  
tha corn rows  
Lord knows my everything, and i gotta GOTTA let'em  
LET'EM know

*[Jim Jones]*

Now that we argue every night, tha most horrible of  
fights  
If i get caught cheatin', U gon' carve me wit' a knife  
But let's take it back, when we use to party every night  
I thought you of all people would know its hard to live  
my life  
I say Im in tha studio, You say You wit' some groupie ho  
We going back and forth, GAWW-DAMN, this aint a  
movie yo  
I'm not tha one for complainin', be mentally drainin'  
But some times just listen, its only one thing im  
sayin'.....I Love You

*[Woman singing]*

I'm in love....With a thug  
I'm In love....With a GanGsta, Yeh [x2]  
I'm In Love With A Thug Print
