Hook:

Somebody push up to me
I'ma celebrate my life
roly say a quarter to three
we ain't to wasting time
life is a party same old thing
but I'm back it up for shawties
drink it up, smoke it up
treat it up now you want it up
'cause life is just a party

Uh uh will the flight just a party
can't live without me I'm the life without a party
oh peace peace all night get party
yes top going spin something nice run shawty
high heels jeans fitting nice on the body
I'm talking black cards I can swipe a Ferrari
you dealing with a man who saw white in the laby
now is wices bubbling .. filiat
where we go so I'm mine for can coop for can
see the shopper damn hot the pupa said
let down back mon with the shooter said
if you ..I promise you'll get spread

Hook:

Somebody push up to me
I'ma celebrate my life
roly say a quarter to three, tic tic tic
we ain't to wasting time
life is a party same old thing
but I'm back it up for shawties
drink it up, smoke it up
treat it up now you want it up
'cause life is just a party

Then I'm living life like a party crasher
drunkin ice some ex Maserati cashin
yeah is say a ...of a mask
I can't tell if your car is
and I'ma rap on body snatchin
out of here I had a kneel and I'm not a pastor

but I'd probably past the same night of..
can't front couple nice total disaster
no ask my .ex-es you can see a movie
drop top relax them bitches that can see the ..
so top up the model he can f*ck what ask you
'cause it ain't bottles in my .. when it f*ckin exit

[Hook:]

So baby girl I got the bottles all nice
so you got a thing for your ..of life
tell me what you like, tell me what's the cause
you ain't gotta worry we're dealing with the boss
now want my lady shake your body body
I thought I told you that you ..the party, party
and everybody in ask them naughty naughty
and you can get a two shawty shawty shawty
and we don't care what time it close close close
and everybody in knows knows knows knows
