Yea

There's something in your ways
That makes me wanna stay here for a thousand years
So just cry your fears, yea I need you everyday
Inside you I just want to wipe away your fears
So just cry your tears yea

I wish I was with you

If I stay well than your tears will set you free
If I stay right here and for ever with you everything
I feel for you is everything I want to stay with you
If I stay right here and forever with you

My eyes!

My eyes

This is tearing me apart I wish I could be in your soft
arms
Feel you again
Anytime I feel like im to far
Than I will try to remember all ours and your memories
I know

I wish I was in you

If I stay Well then your tears will set you free
If I stay right here and forever with you
Everything I feel for you is everything I want to stay with
you
If I stay right here
And forever with you

My eyes! my eyes

My eyes! my eyes
