I got no wheels
I got no dough
I'm leaving Mobile
I gotta go

Chorus
I gotta go
'Cause I gotta go
I'm leaving Mobile
'Cause I gotta go

I got no reason
To stay here no more
I'm leaving Mobile
To Kentucky's blue shore

[Chorus]

My girl married
Fellow next door
I'm leaving Mobile
Won't come here no more

[Chorus]

I gotta roam
Leaving today
I'm leaving Mobile
I'm on my way

[Chorus]

I'm going to Nashville
Don't know about you
I'm leaving Mobile
'Cause us two are through

[Chorus]
