I am no stranger, I'm not your cousin  
A relative from somewhere out of town  
Sure ain't no stranger, how's it going?  
Gonna to send my loving down  
In buckets to the ground  
Tales of the sad hotel I'll tell  
Until the stars fall down

Nothing less I'll settle for than all your love  
I got a message for you it's a token of  
The peace that could rain down from up above  
Gonna to send my loving down  
In buckets to the ground  
Tales of the sad hotel I'll tell  
Until the stars fall down

Gonna to send my loving down  
In buckets to the ground  
Tales of the sad hotel I'll tell  
Until the stars fall down

Baby of mine, oh baby, why can't you see?  
Your uptown circumstance is a fantasy  
From time to time I fall on by to see  
Gonna to send my loving down  
In buckets to the ground  
Tales of the sad hotel I'll tell  
Until the stars fall down

This is forever, not some halfway place  
Where you can choose your face and plan  
A getaway when things get out of hand  
Gonna to send my loving down  
In buckets to the ground  
Tales of the sad hotel I'll tell  
Until the stars fall down

Gonna to send my loving down  
Gonna to send my loving down  
Tales of the sad hotel I'll tell  
Until the stars fall down

I am no stranger, I'm not your cousin  
A relative from way, way out of town
