You know that it would be untrue
You know that I would be a liar
If I was to say to you
Girl we couldn't get much higher.
Come on babe light my fire
Come on babe light my fire
Try to set the night on fire!

The time to hesitate is through,
No time to wallow in the mire,
Try now we can only lose,
And our love becomes a funeral pyre.
Come on babe light my fire
Come on babe light my fire
Try to set the night on fire!

The time to hesitate is through,
No time to wallow in the mire,
Try now we can only lose,
And our love becomes a funeral pyre.
Come on babe light my fire
Come on babe light my fire
Try to set the night on fire!

You know that it would be untrue
You know that I would be a liar
If I was to say to you
Girl we couldn't get much higher.
Come on babe light my fire
Come on babe light my fire
Try to set the night on fire,
Try to set the night on fire,
Try to set the night on fire,
Try to set the night on fire!
