All hail the American night!

What was that?

I don't know

Sounds like guns... thunder.

(Roadhouse Blues)

...Alright! Alright! Alright!

Hey, listen! Listen! Listen, man! listen, man!

I don't know how many you people believe in
astrology...

Yeah, that's right... that's right, baby, I... I am a
Sagittarius

The most philosophical of all the signs

But anyway, I don't believe in it

I think it's a bunch of bullshit, myself

But I tell you this, man, I tell you this

I don't know what's gonna happen, man, but I wanna
have

my kicks before the whole shithouse goes up in flames

Alright!
